Excuse me !

Y, yes .. !

These CDs..

Could I listen to them ?

Haha .. Sure.

Feel free to ! This place has a generator even !

I guess she is MP3 player generation.

W, wait a sec -

That is Carole King's <Tapestry> !!
It's an original import even !
My most prized CD ..

I went through so much to find that CD ..
I listen to it maybe once a month ..

Uhhhh -

??..

Ahhh

It's .. nothing ..

Enjoy ..

When you're down and troubled

And you need some love and care

And nothing, nothing is going right.

Well, it's good to listen to it...

Phew..

Phew ... a lot were washed ashore over a night ...

The weather is clear and I am feeling good to go. I guess I will do some work today.

That cost.

Come out for some air .. ?

Um ... !!

Yes ?

Are you gathering them ...

To eat ?!

What ?! No ..

We can't eat them ... They are irradiated.

I am not that desperate. Who does she think I am ?

Then ... !

?! Yes ?!

If you can't eat them...

Why are you gathering them ?

.....

Since I can't bury them....

I should at least cremate them.

They were lives once.

Died only because of us.

.....

Uh ..

Did she get bored ..

Oh well ..

I couldn't just sit by.

I got the tongs from a washroom... Is that okay?

Ah..

Sure.

Ah ...

Oh, no ... !

!!...

I, I am sorry !

No, it's alright. There is still plenty left.

The oil spill didn't concern me at all.

What really bothered me was ...

.....

It's Ji-Yeon ...

Yes ??

That we were in situation where the future looked grim and uncertain and -

Guan Ji-Yeon, that's my name.

- That something started to grow between us ..

Ah, oh ...

I am Go Jeong-Min.
